Wiehebrink Begins Evening Well Dunn

PHS 1984 Homecoming started traditionally with the Homecoming Assembly on Friday October 19. Returning king, Bill Mecklenburg, arrived to crown Henry Wiehebrink, 1984 Homecoming king. Tracy Burdine, Erik Doest, Wes Jacobs, and Scott Worthington had also been nominated.

When asked how he felt when Mary Carroll announced his name, Henry stated, "I was shocked and very embarrassed. My Mom enjoyed it more than I did, although I was honored to be chosen by the student body."

To continue the Homecoming tradition, that evening the Homecoming Queen was crowned by Miss Karey Nixon, 1983 Homecoming Queen. The princesses were Jill Moses, Kristin Norman, Shelly Schneider and Colleen Triggs. Miss Jennifer Dunn was crowned Homecoming Queen 1984 by Karey. "I was going to the game to have fun, and wasn't expecting to be crowned. When my name was called I was in complete shock," said Jennifer.

Each princess was driven around the stadium in Mercedes convertibles and escorted to the silver platform by Henry and Erik, where they stood by their fathers. Burt Reynolds, a hired look-alike from "Animal Crackers," was there to greet the court and give Miss Dunn a special gift.

In charge of the spectacular event was Brigitte Prevot, Senior class vicepresident. Brigitte was asked to organize the evenings celebration in place of Kristin Norman who had been nominated for the court. She had the help of Dave Dew, Mont Flora, Kevin Kutcher, Var Reeve, Katy Stone, Joy Tunstall, and Sheryl Wolf. Ms. Thielman, Activities Director, and Brigitte Prevot, evening organizer talk with Burt Reynolds, a look-alike, the evening's festivities. Friday October 19 at the football game against El Modena. It was an exciting game which included a half time show where this year's Homecoming Queen Jennifer Dunn was crowned and the Homecoming King Henry Wiehebrink was presented.

Saturday night was the Homecoming Dance which highlighted this week's activities. Because of VPHS's tWentieth year anniversary. 'Blue, Black, Silver — Twenty Years of Spartan Spirit" was the theme chosen.

Unlike other dances, this year s Homecoming Dance, which was held in the school gym, had a video DJ where music videos were shown on a big screen. Couples enjoyed dancing to the music and watching the different videos. Junior Jami Karres stated: "I think this was a great idea instead of just having a regular band of DJ because it was fun to dance and watch the videos."

Besides dancing, couples had their pictures taken and ate retreshments at the decorated tables set up in the small gym. Many couples sat down and enjoyed the fun and romantic atmosphere, while others socialized and mingled with their friends. "It was really memorable because of the entertainment and the happy atmosphere, commented Senior Matt. Payne.

"Sophomores couldn't believe their eyes when they entered school Thursday morning," said senior, Henry Wiehebrink. Seniors built props which included a saloon, a kissing booth and even campsites, complete with teepees and barbeque pits. Among the many signs vividly painted and hung around school were tumble weeds hauled in from the hills. Though they did create a small mess, they added reality to Villa Park's western theme

Lori Beechan commented, "The school looked like something you might see on 'Bonanza.' " The saloon, built by Dave Sach and Jason Ross, was the center of attention

Within the 35 minutes of lunch, the song leaders performed a can-can dance, a few guys along with dance choreography performed a square dance, other senior guys played banjos and guitars and lip synced to "The Devil Went Down To Georgia," Kathy Bogart and Kyle Myers announced "The Solid Rope Count Down" and the Villa Park football team was saluted. At the end of lunch the seniors chanted

We are the class of 85, And we have won the west! We put the Chuds and Plebes to shame, The seniors are the best!

Craig Anderson summed it up with, "We weren't sure how much we had done when we were working on it, but when we put it all together we were amazed and happy with the results."

Seniors Celebrate Close of Year

tile seniors look forward to graduation, the list of preparations and anxieties mounts.

The SAT, Scholastic Aptitude Test, is an important preparation and also a worty among seniors. To take the test, a student had to wake up at 7:30 am to be at their chosen school by 8 30. The students were tested on both math and English. It is a mind-boggling experience for seniors and usually a relief when completed. Some seniors took classes to prepare for this test. These gave students sample SAT tests to solve and help in preparing

Another preparation for seniors planning to attend college was the applications sent to each school. Most college applications had to 🕹 be sent in by November 30th. The decision of which college to apply to concerned others. The choice of a coilege is very time consuming but very important. Pamphlets were sent away for and appointments to visit the schools made. References from teachers and

counselors were sometimes required. All this planning and preparation frustrated and depressed seniors.

After filling out forms and talking to counselors, seniors then had to worry about paying for their college. Sometimes, if they were lucky, their parents might pay for the expenses. But the question is, how do you ask your parents for an extra fourteen thousand? The unlucky seniors must find jobs, and work their way through college which is another worry and frustration

Besides college preparation, there were other worses, such as finding a date for Homecoming, or Sadre Hawkins. A senior can't break his record of not missing one dance, especially his senior year. If there isn't a dance, then seniors had to find where the nearest party is or the latest movie playing For a senior, to stay home on a Friday or Saturday night was a waste

When the year was finally over, seniors

left behind all frustrations and wormes, and CELEBRATED! Graduation meant finally breaking away. Parents reslized that their child had grown up, and was now an adult Graduation was sadness for some but relief for others. Some seniors get upset because they do not wish to depart from their closest triends. Others are excited and can not wait to move on to other things.

Whether sad or happy about leaving, all seniors are happy to have completed high school, and almost all will celebrate!

With the help of all the spirited seniors who painted signs, built props, and organized dances and skits, the Class of '85 was awarded "Most Spirited Class."

The next decision the senior officers had to make, with the help of their advisor Mr. Dick Brunt, was a theme for Coronation, the year's first formal dance, and a place for it to be held. "Winter in Paris" was their decision for a theme. The Meridian, a newly opened notel in Newport, was chosen for its European atmosphere

More fun and exciting activities were planned in order to make the Seniors' last few months as Spartans memorable. Commented Genevieve Talavera, "All in all the year was a success."

My first the trip was to Urah with the Cal State Follower Shi-Train, CRAIC BL ANDERSON and DAVE DOW work also. The top was by him and took fourteen long hours. There were two treats came full of "refrestments" and by the time on were fifty wiles away from home is was all gover-

The next morning we arrived at Salt Lake City and checked sitto our hotel. That same day we shird Alta. The counds of a entitler than I was used to and it was great. When we got back the hotel CRAILs was getting haper, and so was DAVE. We stahad there days of hot skung left. The first day was load of a fesson. It was a long time tience we had been along.

The step day we went to hospithed. The crosedy his and the sky large some song. Even with that we will had a blast. CRASG had a servers and got about twenty these ascellant pictures of yeaps and spills sinto he lost the dumb camera in the most. The hotel was one big party when we got there. I was surprised people weren's getting arrested. The next day we shied Solande and it was siright. It started answing un barueday afternoon and keps trigger life generators

That next morning was our last day at the hotel and we had to perch up the hole I kicked as the wall. On our may to Snowbard our bas almost flipped over others raining sideways while our driver was triving to region control. That day was the loss sharegwe had. There feet of powder all over the mountain, Voibility was seen, but, who cared?

Hver elect my sophomore year I've speat my free time playing guitar Obviously, playing in a group with other municians is a list more earlising, we my very first day at V.P. was spent searching for others who wanted to start a band. That was almost three years ago, I was just 14.

Since then, as much of my time as possible has been spens jamesing with formula, working on jam gainer in the Jam Band, and practicing in the bunds that have come and gone. What was great was that each bund was better than the last and the resaltness were more proficient on these enstruments. We spent many long hours perfecting such song and strengthening may work spots. I must thank my uncle. JOSE FELD-CIANO, for spending his time with us, pointing out whatever we needed In work on, other individually or so a group.

CLUBS AND ACTIVITIES PURE MOTIVATION

Krista Pangburn, Tanya Ferris, Denise Ingle, and Kelly Halligan were the many midents who participated in Club Rish Day

hat force pulled VPHS students to become aboved of the man-clubs and organizations? Was it the club or the people in it?

Clubs like Honor Society and California Scholarship Federation (CSF) have strict standards regarding the grade point of its members. These clubs didn't throw parties or sponior dances, but held only a few educational activities. However, these clubs were two of the most popular clubs on campus

Why join? "I believe being a member of CSF or Honor Society is a big plus as far as college credibility is concerned," said senior Alicia Brown.

The VPHS campus had four foreign language clubs for students to participate in The French, German, Latin, and Spanish clubs helped their members learn more about other cultures. "I enrolled in the Latin class, for it not only helped in my Latin education, but also in familiarizing me with the Latin culture throughout different and amusing activities," stated senior Sebnem Kanatsiz.

There were a few clubs on campus which also involved people outside of VPHS staff and students. The Associated Women Students, and the Key Club participated in many projects which benefited the school and the community Key Club traditionally participated in the Red Cross Blood Drive, and sponsored the Sweetheart Dance, and AWS sponsored Sadie Hawkins

There were clubs which introduced

VPHS students to the new technological enchantments. The Computer Club provided everyone the chance to talk about their programs and show them to everyone. "It is usually fun when we have a meeting," said sophomore Keith Bursack.

Another club on campus which gave students an enlightening experience was the Spartan Flyers. Led by ex-counselor, Mr. Keith Reid, VPHS students learned about aviation and got a chance to fly solo

There were also other clubs not directly recognized by the administration. Such clubs included the Surf Club, Yacht Club, Bridge Club, and SADD (Students Against Drunk Driving.)

In the effort to promote the clubs, and interest students in joining them, a school Club Rush Day was devoted

There were several attractions, each representing the club sponsoring it. And what better way to attract students than food. German Club sold tantalizing pretzels, French Club oftered delicious crossants, chocolate was sold by the Latin Club while popcorn was engulfed by many of the students who took an interest in Drama Club.

Despite all the food, neither one of the clubs attracted more students than the Dance Club with their Dance Choreography performance. "I didn't get to find out too much about the clubs because I was too busy watching Dance Choreography," stated senior Jack Jeasen.

Club Rush Day was one of the most successful events of the year according to VPHS students.

VPHS is known for its outstanding assemblies such as the Dating Game. Two students from El Modena were brought to VPHS to choose a date from one of three students from VPHS. The prize was a 45-00 dollar certificate for dinner at Bobby McGee's. Kathy Bogart, one of the winners excitedly said, "I just about died"

"I didn't get to find out too much about the clubs because I was too busy watching Dance Choreography."

Jack Jessen

Another participant, Pete Molinari, stated, "I wasn't chosen but I sure had a great time being in it."

So no matter what type of club or activity, assuredly VPHS students would join

Oracle Goes Bi-Weekly

t 11:0: a.m. the bell rings to begin fourth period. Here we go ... another exciting day in room R-3, Journalism

'Oh, what a linck-back class!" Who said that121

Sure, Journalism is a pretty fun class, and if you're on the Oracle staff, well, that's even better. But there-15 a lot of time and work involved

As Editor-in-Chief Darin Haskins takes off on yet another off-campus advertising run with Managing editor Rich Brown while Robert Vance, Sports editor, assigns five stories to several unsuspecting individcals. Mike Farrell, Photo editor, heads for the dark room, and Feature editor Brian Watrous cranks out thirty inches of copy on school spirit Leah de la Riva, News editor, gath er information from the beat folders (these keep up with the latest happenings on the VPHS campus), and Colleen Obuljen thinks up creative and interesting topics for editorials. Copy

editors Shannon Hall and Lynette Kopycki tackle the time-consuming job of correcting even the significant mistakes in the copy for each issue

One of the major changes in the daily life of the Oracle staff has been the time limit in the production of each newspaper Instead of coming out every three weeks, the staff now distributes a newspaper every other

People were forgetting about the Oracle because it didn't come out very often, states Darin Haskins.

The staff has only two weeks (ten school days) to complete a newspaper; including layouts, writing stories, getting copy on the computer and correcting it, having everything printed and pasted up, taking the final paste ups to be transformed into the Oracle, and distributing them to every class on campus

It is an enormous responsibility but the staff always manages to get the jab done

Brian Wateous faces the dilemma of laying out a forty inch feature story in a thirty inch space Darrin Haskins offers his help in finding a solution

'It has come a long way in performance styles and popularity as a class." stated Mrs. Folkert. Its 25 members auditioned in May for the 1984-85 school year. In class various techniques and styles of dance were studied. Dancers were required to choreograph severa works for the year including a solo

"The master classes and professional performances I was required to attend helped me to gather ideas for my solo." remarked Kelly Thomas.

'Most of the choreographic ideas come from what is called improvization and exploration," stated Mrs. Folkert. The class performed at Club Rush Day, Back to School Night, The Winter Choreographers Concert in Huntington Beach, and their own choreographers concert held in May

"At Club Rush Day, there is no doubt that the dancers of VPHS's dance Gub were the number one attraction," a statement made by Godfrey Ramos in the September 1984

Being a member of a class executive cabinet is an ambition many people share. This year's occupants of these much-sought-after positions are all highly qualified, and, in the eyes of their peers, the best people for their jobs

Carolyn Romero, Junior President, ran for this position her sophomore year as well, although her '84-'85 candidacy was the first successful one in her high school career. Sam Oh, however, brings a year's experience with him to his position, having been Sophomore Vice President last year. Kelly Thomas and Robin Weissman, Class Treasurer and Secretary respectively, are also newcomers to the Class of '86 executive board, bringing new ideas and personalities to the juniors student government

Out of ten class senators, only two, Tina Piantidosi and Steve Barnett are returning officers. The other eight — Pat Glenn, Chris Frye, Steele Kelly, Bill Galus, Sandra Osumi, Ric Jansen, Mike Vert and Julie DeMarco have never been Senators before this year, but according to Tina Piantidosi, their more expenenced counterpart, "all the new senators are just as good at running the class as Steve and I."

Bring a J.V. Charriender has been a very orwarding expenence. The friends I've gained, the knowledge I've learned, and how I've became a pert of Villa Park are a few examples.

By burring practice all numeror long, it brought. er to our own equal. When we were to samp at UCSB, all of the squads joined as one All 26 of vicinty cheek, song, jor,, and mascots regether made like one big family.

At fest, not everyone un the J.V. aquad knew everyone else. It was bard for my, because although I knew everywat by name. I had our alf: colly met them, and I doln't know how well we would get along together. As the memmer were on, I found them all to be great friends, and I coold get along with all of them.

As posses variety cheerleaders represent the panew class as pay assembles, it makes us lost good. when our class gers involved and chreek along. It's hard of embureaung, when you've up there cheering in front of a coowd, and on our to the makenes is cheering back

I looked forward to jup assemblies, because I shoult when we had them, justines gut fired up and reads for that certain event.

Activities included everything from lunch time class competitions, to assemblies, to reconguts, to a variety of dances, both casual and formal. With just a little effort there was never a dull moment with all of these activities available VPHS was filled with memorable moments which might have occurred at any of the many dances or athletic events, and most likely with close friends

"Rec-nights were a good excuse to get out of the house on week nights to have fun with friends," smiled Elizabeth Tait.

"The main reason I went to school was to be with my friends," smiled Dyanne Court. Friends were a major part of Spartan memo-

Spirit Week was held the third week in October to unify students. A new approach was tried by making the first day a "Unity Day" On the first day everyone was asked to dress in beach or Hawaiian attire. The band "Surf City Ltd." was hired to play music during lunch.

"Dancing with friends to Beach Boys' music was the best port of unity day," said Mary Carroll. The rest of the week continued with the traditional individual class Spirit Days. Rival-ry between classes was intense. The Seniors selected guards the evening prior to their Spirit Day to protect their work from being destroyed by Sophomores and Juniors. The

school unity that was shown on "Unity Day" was gone

Class competitions were often held during lunch so the classes could challenge each other. Some examples included arm wrestling, tug-o-war and musical chairs. Many people

Formal and casual dances were held nearly every month of the school year

"Sadie Hawkins was one of the best dances because it was a casual fun way to take a guy out for a change," remarked LeAnn Lunberg.

"Going in a large group with all of my friends made Sadie Hawkins more fun for me," added Margaret Naruse.

CLUB RUSH

ctober to was the date of VPHS's annual Club Rush Day Club Rush Day was an opportunity for all of the clubs on campus to advertise in hope of gaining new members.

Many advertising techniques were used. Some clubs, such as Spanish Club, set up colorful booths to attract attention. Other clubs sold food --German Club, pretzels, Drama Club, popoorn, and French Club, crossants

The main attraction at lunch obviously was the Dance Choreography and Productions' presentation. The members of Dance Choreography presented to VPHS samples of their dance techniques. One member, Shanmon Geary, commented,

"Making up the dances was fun, but when I got out in front of everyone it was more embarrassing than anything else."

Part of the success of Club Rush Day was due to the hard work of Pauline Kamiyama. Pauline at IC.C. representative for the A.S.B. cabinet at VPHS, who was in charge of organizing Club Rush Day

Many clubs gained new members; for example, Spanish Club picked 15 new members. Tony Ramirez, who joined the Yacht, Slo, and Key Clubs,

o help break the usual lunch time boredom, the A.S.B. cabinet provided activities at lunchtime for students to participate in and enjoy. Musical chairs, one of the many activities seemed to be well received and had many participants.

"Musical chairs was really fun and it was funny when Henry Wiehebrink and Donald Riddick fought over the chair", stated tenior Perri Selman, "Donald Riddick finally won."

Six students dressed up for the Mr. Spirit Day Contest. The winners were Henry Wiehebrink and Robert Vance, who shared the \$50.00 prize. The other contestants were Wes Jacobs, Todd Moeller, Jeff Zaremba and Kyle Myers.

Students also enjoyed "The Dating Game", hosted this year by Brian Raum, Kathy Bogart and Darin Haskins were the lucky winners chosen by the El Modena students.

Unity Spirit Day was also taken well by the students. Many of them dressed Hawaiian or like they were going to the beach. The band "Surf City Ltd." played at lunchtime and the V.P.H.S. beach goers danced to their beach music. Frisbees and beachballs blew through the noon air to complete the scene

Ms. Theilman began these activities two years ago when she became our new A.S.B. advisor

"Lunchtime is the one time to serve the entire student body Lunchtime is often boring and these activities add a new dimension and fun. The variety meets the needs of many different people and the students seem to enjoy them," stated Ms. Theilman.

"Don't worry," said Mascot Kathy Bogart, "we're not complaining. We just want people to know how much work we do."

Through a variety of assembles such as Homecoming, and other mise spirit assembles, the cheerleaders time is greatly spent.

Varsity Songleader Shelly Schneider said, "You really have to be able to balance your time in order to get all your homework done, plus practice and make up new routines."

"It is true that we put forth a lot of hard work, but much of the credit belongs to our loving advisor Ms. Julia Thielman. Without her we would be in constant trouble," said Varinty Yell Leader Missy Sobel.

Both the Cheerleaders and Songleaders were awarded Superior trophies for their original routines which were evaluated at camp. They also spent at least three days a week practicing during the summer to prepare for the new school year

Once school began, the Cheerleaders were busy attending sports events, performing in assemblies and lunch railies, and holding parties for the different sports. Their biggest job was showing and promoting school spirit. They made signs and informed people of school funk tions and tried to get everyone out to support the sports teams. The spirit and enthusiasm shown by the Cheerleaders at assemblies and games was to encourage crowd participation and team support. "We tried to get everyone to cheer with its and show school spirit," stated Cheerleader Missy Sobel.

Unity For All

n November 23, 1984, the VPHS Marchin Spartans took the field for the final field competition show of the year. With aggressive precision, stirring music, and flying colors, our small but mighty band closed one of the most intensive seasons in VPHS history

The whole story began at band camp, before school started. The dedicated band members sweated in the stifling heat to produce a show that many felt was too difficult. Taking a rough stand on the show, drill designer Richard King told everyone, "It will get harder yet." With fire in their eyes, all units took to perfecting their portion of

With intensity of a different kind, near the end of the summer the drill team went to a camp to perfect their dancing ability and to have fun Inspirational advisor Barbara Kurek was always around to give shouts of encour agement, but until an instructor was found, the responsibility for leadership and instruction rested in the hands of Captain Yvonne Park and Lieutenant Cindy Edelman. They tirelessly taught the difficult drill and even invented routines for the first part of the show Smiling, the drill team created the graceful moods of the different songs

very year VPHS is always lucky to have a foreign exchange student This year from Paris, France Sophie Nairac has enrolled in VPLIS as a Senior Sopnie, who lives with her American family the Van Horn's, feels right at home in Villa Park. The Van Horn's treat her like she is their own daughter. "They have trust and confidence in me, and they do more than I ran possibly expect." Since coming to Amerca, Sophie feels that a student's life is built around the school, unlike in France where school is all Academics. There is no time for sports, friends or any extra activities. The best thing she likes about VPH5 is all the activities the school puts on. "The teachers are kind to me," says Sophie. "They accept me as a VPHS student rather than some foreigner. They try to understand and help Fire Through many different activities Sophie has learned that living a Villa Park, means a lot, and there is much competition between girls, over clothes and especially guys, but overall "V.P is a great place to live," says Sophie!

The team did well against those schools who have a class just for Academic Decathalon participants

This year VPHS started a new Academic tradition with the forming of a Sophomore Academic Decathalon team. This year's team. consists of thirty-seven members yet only fourteen competed on Saturday, Februar 3

The honors team consisted of David Cohen, Matt Bartley, Patts Chu, and Sahcm Parekh. The scholastic team was David De Leon, Glenn Farrell, Jennifer Keeler, David Longyear, Karl Stone, Kevin Gutteron, and Rebecca Naya. The varsity consisted of Richard Leiva, Chris Meyer, and Chris Rommel.

Department at VPHS Whether it is fine Arts or Practical Arts, VPHS has it. Fine Arts has many classes, such as music, drama, art, photo, and the study of Fine Arts. Students can express their ability through singing, acting, painting and pictures. In the Practical Arts department classes of accounting and typing make up the business field, and drafting, woodshop and metal shop allow a wide range of careers to pursue after high school. Sewing foods and interior decorating are also available to give students a chance to experience the world of fashion and design. Hopefully, these classes helped students learn the skills to build their future

When I first come to Ville Park High School to 1967 femes the cold environs of Ohio, I expected to expenence a new commopolities type of uniform, sophisticized, well read, and expensions in the "real world." Instrud, I discovered on own expectations needed to be resopered by my own "riskture shock" of Southern California Inting. The school was not the center and devong force of enident life (as it was in Ohio), but a place to gather during the day. I also erasted that Villa-Park High Setural ecoderate ware takely full of the same ancience, feminations, hopes and restative tire of high ashoul students everywhere

The late 1950's ushieved in a cow-res of greater second and positional awareness about the emporuses soons of the uses (especially the Victoria War) and more experimentation with drugs. ports were an important part of school life at VPHS. Athletes proudly devoted their time and energy for the school. Participation in sports taught many athletes responsibility. This was due in part to the excellent coaching staff at VPHS which stressed these ethics. "Good sportsmanship is important, but it is a difficult thing to coach," stated wrestling coach Brent Bailey.

Responsibility was required by all athletes. These responsibilities included attendance at team meetings and daily practices. "Athletics taught me to set goals and to obtain them," said Monte Variakojis.

Athletes all year long could be found practicing on the field, in the gym, on the track, or in the pool. The athletic program included such varied aports as tennis, gymnastics, and cer, and stemming. Though sports have traditorially attracted more attention from high school population, every sport required dedication and sacrifices. Therefore every sport and devoted athlete deserved equal and due recognition.

Long hours spent together in practices and games started many close friendships between team members. "The friendships that I made with my teammates will last a lifetime," said Jayne Thomas.

nder first year Head Coach Pat Mahoney, the VPHS Spartan Football squad was guided to a successful season. A predominantly senior team, the Spartans were (8-4) overall and (5-a) in league, which captured them a third place finish behind first place Football and El Modena

The Spartans three team captains were Robert Vance, Scott Worthington, and Tracy Burdine. Both Worthington and Vance received All-league honors, and while Burdine fell short of this accomplishment, he was a major part of the Spartan Defense. The Spartan defensive unit was anchored by linemen Ron Norman, Robert Vance, Dave Stern, and Taylor Ohlsen. Filling in the linebacker positions were Brian Raum, Tracy Burdine and Scott Worthington. The starting defensive back corps consisted of Ceasig Braun, Jeff Bedell, Mark Johnson and Eric Scott.

The offense lacked the consistency of the defense. Under the leadership of senior quarterback Scott Shimoda, the Spartan Offense was primarily a run oriented team, going to the air only in desperation. The running game was provided with consistent performances from jumor fullback Dave

I takes a lot of hard work to become a good athlete. In addition, to physical endurance and coordination, athletes must be dedicated. Waterpolo requires its players to have skill, strength and stamina. To acquire these abilities morning workouts are routine. Players participate in aecobics, swim, and lift weights

The VPH5 Varsity Waterpolo team lived up to their past reputation this year with an excellent 19 and 7 season. Leading the team to victory were all-star players Richard Brown, Darin Haskins, Martin McDonald and John O'Neal.

"Jason was an all around good teammate said Darin. "He shone through as the team's number one defensive player." Darin did his share by scoring 87 goals during the season. Rich Brown, an all-CIF selection goalie made many saves for the team. John and Martin provided the team's "muscle," combining to shut down the opposing "hole set."

The team's most memorable game, came about midway through the season. This one goal win over league rival Tustin, assured the Spartans of a CIF playoff spot and a second place in the league

Morgan Goldsmith scored the winning goal with 1:15 left in the game as the team helped Couch Ehrlich reach a landmark 200th career victory

"The Tustin game was a very memorable one, due to the fact that we didn't take the lead until the last minute," stated Erlich. "It was one I will remember for a long time."

any fans forgot about the Junior Varsity and Sophomore Water Polo trans. However the spent the same long hours practicing as the Varsity team Both the JV and Sophomore teams had victorious seasons. A key factor in many of their victories was the camaraderic among the team members. Mike Wynsen said, "The team was really great because everybody helped each other out."

Another factor in their victories was the excellent coaching direction of Travis Haskins. Coach Haskins spent many hours preparing the teams for their games. The Junior Varsity and Sophomore Water Polo teams deserved more attention for their excellent seasons

66 t was an exciting time. The girls can be very proud," commented Coach Craig Hays.

The most exciting match was against Foothell, the first round. The girls were determined to prove that they had a better team. Foothell led 0-8 but Carrin Stabile beat their number one player 6-2 to tie at 9 sets apiece.

Coach Sue Gardiner, coaching for to years, said, "I was proud to see all the Girls Varsity and Junior Varsity teams come to work together. I felt proud of our Villa Park teams every year whether we win 1st or 5th place."

Gardiner commented, "The teams always display class during their practices and excellent sportsmanship and friendliness toward our opponents."

"I am proud of the team this year because their success is a result of the team unity and hard work," Hays commented

The two outstanding singles players were Tanya Stasiuk and Deidre Wilson. Heidi Fiedler and Laura Gates were the number one doubles team. Leslie Kurose, Grace Kummamoto, Christina Kato, Christy Nagauo and Carrin Stabile were very strong Varsity players throughout the year, winning many key matches

"I am very happy to be working with such group of people and feel challenged every year when I start over," Gardiner commented

his year's JV volleyball team had potential, but just couldn't seem to use it to win games.

Their biggest problem was "working as a team," stated Nicole Genova. Tiffany Hamilton granned and said of the the JV team, "we're a good team, but we have to work like one."

Miss Charlene McLaughlinn was the coach for this year's team. She was very determined to teach the girls the proper skills, and expected a hundred percent out of all of her players, Miss McLaughlinn commented, "the J.V. team was young and mexperienced, but had potential. The team could contribute their success to the dual coaching of Mrs. Smith and Pam Burdue, a volleyball player at Chapman college. She helped by sharing her own expersence and knowledge of the game. Mrs. Smith added to the team by always being there when the girls needed her. With the combined forces of both coaches, the team concluded its season with a record of five wins and nine losses in league play

Mrs. Smith summed up the season by saying, "The girls volleyball team had a fine season. The girls were terrific! They worked very hard as individuals and let were very supportive to one another as a team, but most of all they had fun-

Pam Burdue added, "the girls learned a lot as they progressed, and were very determined to work together. Next year's team is suce to

the season started every varsity player wanted to go to CIF again. Although the varsity to misuash this big as fast year thes found their way into the CIF playoffs. The long, hard practices and games twice a week built up their strength to defeat or tie some tough teams. With the help and support of varsity coach, Dave Halliday, they stuck together as a team and did all they could to win

As the day came for the play offs, a lot of nervousness went around to each varsity soccer player. Once they got on the field at Fountain Valley, every team member wanted to do his best and win to advance into more playoff games. With a lot of speed and skill, soccer players from both schools kicked the ball up and down the field. When the whistle was blown and time ran out, the game came to an end, as did the chance to go into the CIF finals. Fountain Valley had won 1-0 against VPHS

had an excellent season under the direction of Coach Corradino. The teams enjoyed a year of celebrating the game of soccer. Playing the game and keeping the "game" in perspective was more important than winning or losing. This team enjoyed being together with friends and teammates that playing produces. Placing second in league, and competing in CIF were bonuses. The real victories in this season came in the celebration of the game and fun being together.

This year's Varsity team had six returning players — Lara Steensland, Leslie Kurose, Andrena Rust, Heather Hunt, Autumn Hayes and Paula Pointer.

Led by Autumn Hayes and Lara Steensland, the 1985 Varsity team accomplished more than might have been expected after a series of injuries cost it three front line starters. Those who remained pulled together and adapted themselves to new positions and demands. This was accomplished in a spirit of fun, and the season was a satisfying one 'We had fun on and off the field," said Lara Steensland.

The J.V. unit played hard and developed in skill as the season progressed. Staying together in spite of having no coach of its own, and not playing as many games as they would have liked made the season one to be remembered by the girls who participated

Century League Champs

Mente Variakoja postajon, nereka er I.

nder the coaching of Jeff Ehrlich, the Boys Varsity swim team has upheld and improved their reputation with an outstanding season, becoming one of the best swim teams in the Century League. With leading swimmers such as serious Jason Jeffries, Martin McDonald, and most valuable jumor Lance Larson, the team I successfully defeated their opponents

Jason Jeffries in the 50 free with and and the 500 free at a 5:10.46. Martin McDonald had a 50.41 in the 100 back Both swimmers have greatly improved from last year

Lance Larson was Villa Park's first and only wimmer to qualify for the Junior Nationals held in Milwaukee. Wisconsin making him one of the top high school swimmers in the United States. He led the team this year with a 50.65 in the 100 Fly placing 3rd in CIF and a 159.28 in the 200 LM

Besides great time c by these swimmers, the team as a whole has improved to make VILLA PARK SWIM TEAM the best is has had in history

In addition to swimming the word "team spirit" has a new meaning. This year the boys and girls swim teams united together to encourage each other to win. With much hard work and dedication, the boys and girls swim teams have made swimming both a progressive sport and created memories that will never be forgain.

Varsity Softball Goes Extra Innings

The five returning players combined with three sophomores and four jurniors made up this year's varsity softball team. The team started their season with a win against Troy, 2-1, and a win against Corona del Mar 18-0. During Easter vacation they played in a tournament in San ta Maria, where they faced many tough teams in the county. This was a fun experience where triendships were made and skills were bettered.

The defense of the team seemed to be the strongest with standouts like Cheryl Tomimson, who played shortstop. Deana Kurose at second base, and Kandi Bryant, the pitchet. "Basically we played tough, but sometimes we would slack off," commented Meghan Domer. On sunny days or on tainy cold days the team could always be seen practicing. If it rained, the gym would be filled with girls with gloves playing in their socks. Coach Shelton, lanned each practice the night be fore and would follow his schedule to each minute. This year the girls were even seen in the weight room toning their muscles. Sometimes we didn't feel like going to the weight room, but it helped stated Anni Lathrop.

Many games were played in extra innings, making each competition a nail biter. It seemed that the team would do a little serier each inning that followed Mr Shelton would encourage the girls to score in the first couple innings but they seemed to like it better when the game was a close one

Baseball SWINGS into Action

Steve Tarabilda and Sophomore baseball team, coached by Dennia Moody, had a lot of talent to show in many areas this year.

Oftensively, the sophomores showed the ability to get on base and drive in runs. Mark Fishburn, off to an explosive start, was to for 13 with 7 RBI's in his first four games. Junior Varsity player, Howard Saldarini proved he could hit a ball a country mile. On the base pads JV players, Dave Rolantz, Jack Samuels, and Jim Thomas, had no problem running up the score for the Spartans, neither

did Dave De Leon, Dave Marsh and Kevin Bates on the sophomore team

Defensively, Jason Wilkerson led the sophomore outfielder Jim Thomas, kept the opponents scores low, which complimented the Spartan pitching staff. Sophomore, Tom Kelly, pitched well throughout the season. Chris Murphy, one of the JV pitchers, showed great strength with his curve ball, also

Both Spartan baseball teams, with their explosive offenses and tight detense, were a major threat to the opposing team.

"I think our officers have done a good job. They had a lot of guts just to run," stated sophomore Katy Madison.

Their first responsibility after being elected was to form a commit tee and decide on a Spirit Day theme. They spent long hours working with their class in an attempt to make their day enjoyable for all involved

We all worked well together. There were no individual jobs, stated Senator Genalyn Talavers. She also added, "No one thought his position was better than another's either."

Commented Vice-president, Craig Hofstatter said, "We all got along well, and enjoyed our jobs

Sophomore Spartan Spirit Grows

Holh Bleser and Tracy Nelson cheer excitedly at the Soptionsone, Homecoming game

Ithough this year's sophomore cheerleaders got off to a late start, they did a great job in promoting school spirit. The cheerleaders didn't get their uniforms until the first quarter was almost over and they didn't have a chance to go to cheerleading camp this summer with the rest of the squads.

But the cheerleaders were successful in overcoming their problems and working hard practicing their cheers and painting signs. They made up cheers after school and practiced their formations for pep rallies. The cheerleaders, led by head cheerleader Gina Mater, participated in assemblies, attended games, worked on Spartan activities and cheered with the Spartan crowds

During the course of the year, these dedicated sophomores experienced many happy moments, such as homecoming. It took a lot of hard work and many long hours but they made friendships that will last a lifetime

You are getting there;
you're on your way
What more can a little sister say?
Don't give up make your dreams come true
For your future promises so much for you.
I shall never forget our long special drives
Our games of golf and skiing we share
For you have taught me everything and I really
care.

I am so lucky to have a big brother like you You help me with my problems and get me through

Memories of you will always be kept in my heart Even when we are apart

You know that my love is always with you So good luck with everything you want to do.

Love, Becky

The joy you've brought us is more than we ever dreamed.

Congratulations!

Love, Dad and Mom

Tisa Crabtree

Lisa,

We have watched you grow from a beautiful baby into a very beautiful young woman. One who is warm and caring, and definitely a parent's most

treasured gift. You have known since you were nine that some day you would become a doctor. Don't ever give up your dream. We know that you can make it, just like everything else that you have set your mind to do, and have accomplished. It may take time and hard work . . . You may become frustrated and at times feel like giving up ... And sometimes you may even wonder if it's worth it . . . But we have confidence in you, and we know you will make it if you try. Remember that we will love you always, and will be there if you need us! We are so proud to call you Daughter!

hen you're in junior high the only thing you can think of is, "I can't wait until I get to high school." Then by the time you get to your last semester most all of us think, "I can't wait until I get out of here."

Well, now most of us are leaving and will have to take what comes ahead. Villa Park has offered all of us a chance to start to realize our goals and future plans. We've developed academically and emotionally.

We give many thanks to those who helped and contributed to the success of the many things accomplished this year.

To Dr. Fox, who supported VPHS', school spirit and student achievements, we're sorry to see you go. Thanks for everything you've done. Good luck at Canyon.

Let's Celebrate the Many Memories

hen the Odyssey staff started the year, we were full of fresh new ideas. Those chosen are the ones you see printed in the book.

We thought they were the best and the ones that would add character and enticing information for the students and others to read.

I thank all the staff for the hard work and time they gave, my advisor Mr. Norm Johnson for listening to me and understanding what I had to say, but, especially to my Business Editor, Beth Frackelton, who was there to take the "bull by the horns" when I wasn't there. You did a great job!

Most of the thanks goes to my Mom who supported me in all of my decisions and put up with them, even if she didn't agree all of the time. I couldn't have done it without any of you.

The CELEBRATION has started and may never end.

The Odyssey's beloved Miriam and adored advisor. Mr. Norm Johnson.

Colophon

Volume of Villa Park High School's ODYSSEY, was printed by Herff Jones, Marceline Missouri in a 9x12 format with 320 pages. It was printed on-100 lb. Bordeaux paper with Color-Text end sheets. The Magazine Section was printed in Color-Text CX-10 ivory-tone paper. The cover design was a four color process with an additional fifth color as background from original arrwork done by Christina Kato.

Copy was printed in various point sizes of Cloister and Cloister Italic. Page numbers were 30 point Spring, division pages were done in artwork designs.

The staff extends thanks to Portrait World, for taking the underclass portraits, to Albert & James for Senior portraits, supplies, color processing and support and to Dr. Fox for the many contributions and support he gave to VPHS
